

'It takes a whole village to raise a child'

– African proverb

Welcome to West Hampstead Primary School!

We can't wait for you to join our school community!

What is the PSA?

The PSA is a parent-led charity which aims to bring our community together whilst raising funds for extra activities and equipment for the children.

We do this by arranging events such as the Summer Fair, movie nights, bake sales, book swaps etc. Over the last few years we have raised funds to establish a teaching kitchen, buy laptops and support the West Hampstead Year of Reading. We provide the fruit on sports days, and raise money for art and music workshops.

In your first half term, we will be hosting a picnic after school for Nursery and Reception children and their families. It's a great way for you to meet other families and see the children in their new environment. We look forward to meeting you then!

Get involved!

The PSA always needs people to help organise and run the events. We meet most Friday mornings in the dining hall after drop off and we have one evening meeting a month on a Thursday. It's a great way to meet other parents and help the school.

If you are not available during the school day there are opportunities to be involved with evening and weekend events and, of course, via social media. **Please fill out the form below and hand it in to the office so we can keep you up to date with what we're up to. Thank you!**
