

# Beckford Bell

Friday 13th of September

Dear All,

Welcome to the start of a new academic year!

I hope you all had an enjoyable time during the summer holiday. The children have settled in well since the start of the term and they have been getting stuck into some exciting learning! Every class has started their new topic and there is definitely a buzz around the school.

As you know, there have been some changes to the start of the day. A big thank you to all parents and carers for adapting to this change so quickly! It has already helped the children to settle into their learning quicker.

At Beckford we believe that communication is extremely important. Throughout the year we will be sending home information to keep you updated on all aspects of life at Beckford.

We have organised some events to keep you updated and ensure that you get to know the members of staff who are working with your children. Next week there are some important meetings. We hope you are able to attend them.
