

Dear Parent/Carer

We are delighted you have applied for a place in our Nursery for September 2021.

At West Hampstead Primary we firmly believe that nursery provides the best start to education and supports all the children (and parents!) to become involved in our community school, to build relationships and to become immersed in the learning journey. I am very pleased to let you know that the West Hampstead governors have agreed to maintain our full time nursery provision for the 2021 - 2022 academic year.

It would really help us if you could complete the attached forms and return them to us as soon as possible. We need some personal information about you and your child and to be able to determine how you will fund your Nursery place at West Hampstead, whether this is through eligibility for either the Government extended offer for the children of working parents or the Camden Enhanced Offer. An outline of all eligibility criteria is detailed below.

Information provided will be treated as confidential and individual details will not be shared.

Please complete the Nursery Application Form and Parent Declaration form which are available on our website or from the school office.

Please complete and return all forms to the school office.

All three and four year olds will remain entitled to 15 hours of free early education (15 hours a week for 38 weeks, up to the total of 570 hours). However there is a national offer of 30 hours' free early education - an additional free 15 hours - **but only for working parents who meet certain criteria.** (see Nursery Appendix A)

More information on criteria and eligibility are available online at -

<https://childcare-support.tax.service.gov.uk>

We require all parents who qualify for the additional 15 hours free funding to apply to the HMRC using the online portal which can be accessed through Childcare Choices at (see Nursery Appendix A):

<https://www.childcarechoices.gov.uk>

The Childcare Choices portal will take you through the application process. If you encounter any problems with the application process please direct your queries to the Childcare Service Customer centre on 0300 123 4097.

On completion of the application you will have a childcare service account. If you are eligible for 30 hours free funding you will be given an 11 digit 'eligibility code'. You will need to provide us

with the code and your national insurance number to allow us to claim the funding for your child. You must pass this information onto us by **10th July 2021** so that we are able to ensure that we receive the funding in time for your child's start date in September 21.

If you think you do not meet the eligibility criteria as stated above for the 30 hours free government funding then **please also complete the 'Camden Enhanced Offer' form online at www.camden.gov.uk/childcare**.

This scheme is for Camden residents **only** and may provide additional funding for any child who does not receive the government offer (see Nursery Appendix). If you are eligible for this funding you will receive a confirmation letter from Camden. Again, we request that you pass this information onto us by **10th July 2021** so that we are able to ensure that we receive the funding in time for your child's start date in September 21.

Yours faithfully

Sam Drake
Headteacher

Government 30 hour extended offer

Camden Enhanced Offer

In the event of over subscription places will be offered in descending order using Camden Council's school admissions criteria:

a) Looked after children (children in public care) or a child who was previously looked-after but immediately after being looked-after became subject to an adoption, residence order or special guardianship order.

b) Children with a *sibling (brother or sister) at West Hampstead Primary School who will still be on roll when they join.

*Sibling refers to a brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carers partner where the child for whom the place is sought is living in the same family unit at the same address as the sibling. A sibling relation does not apply when the older child will leave before the younger one starts.

c) Children whom Camden accepts have exceptional medical or social need for a place at the school. There will have to be a clear link between the child's exceptional need and the school in

question. Parents/carers will need to submit a case supported by appropriate professional evidence from a doctor, social worker, or similar professional. That evidence will need to support the link between the need and the school.

d) Children whose parent has been a qualified teacher working at the relevant school for two years or more at the time of application and/or children of a qualified teacher at the school who has been recruited to fill a vacancy for which there is a skill shortage

e) Other children, with priority given to those living closest to the school measured 'as the crow flies' measured from the home address to the centre of the school. The address given must be the one in which the child normally lives. Distances are measured using a computerised mapping system.

Attendance at West Hampstead Nursery does not guarantee admission to the reception classes at West Hampstead School. Children who attend nursery at West Hampstead School will still need to apply to Camden Admissions for a reception class place.
