

# The WHPS Weekly

Friday 24th June 2022

Dear Parents/ Carers,

What a busy week it has been at West Hampstead!

We started the week at Parliament Hill with the KS1 and KS2 Sports Day. It was a fantastic day, the sun was shining and the children were in fine form.

On Thursday evening we then gathered for West Hampstead Performs. Miss Wells and her team put on a brilliant show and really showcased the amazing talent we have here in the school.

On Friday we jumped into a time machine during Shannon Classes assembly and were taken through a years worth of learning. There was some brilliant acting, singing and even poetry!

Finally, we even managed to fit in our class photos!

We have put together a series of photos for you to enjoy and hope you all have a lovely weekend before another busy week. Links to more photos from these events, will be available from next week.

## SPORTS DAY 2022

On Monday, Years 1 - 6 attended our annual school sports day at Parliament Hill running track. It was a fantastic day and the children had an amazing time participating in fun games and competing against each other.

I would like to take this opportunity to say a huge thank you to all the parents and families who attended. There was a wonderful energy all day and the children responded really well to your support, so thank you from all the staff.

I would also like to say a huge thank you to Karl Beckford, Hayden Thomas, Daniel Walsh and all of Team Kickstart for preparing the events and being so dedicated to the children's learning in PE this year.

Team Kickstart joined us in September and have had a great impact on the school since their arrival. The lessons have always been very engaging, children have attended regular sports competitions and we have also been able to provide a range of after school sports clubs. Thank you Team Kickstart.

## WEST HAMPSTEAD PERFORMS

Music evening started with an Art Exhibition which was put together by Ms Shafer, showcasing fabulous art that children have produced across the school during their lessons and After School Art Club.

**Nursery's Bog Babies** models were a hit with all parents and children.

After two years without a whole school music evening, we came back with a bang! What a wonderful evening filled with performances of children from the EYFS through to Year 6.

We were treated to a mixture of solos, instrumental, group and dance performances, from Reception's singalong complete with signs to Year Four's recorder ensemble, from Year 1 and 2 singing their hearts out to our WHPS Choir closing the evening! It was a pleasure to see the range of instrumental performances, with drums, piano, violin and recorders to name a few.

I would like to say a massive thank you to all of our amazing performers!

They couldn't have prepared completely on their own, so I would like to say a huge thank you to all the talented parents, class teachers and music teachers for preparing the children so well....and for all those who came along for being a great audience!!!

Miss Wells

## Plant sale

Thank you to everyone who bought a plant at the plant sale last week.

**We raise an additional £100** we will put towards activities for our children.

We ran our planting event for the first time this year. Children were able to buy a pot and choose their seeds for £1 in April. Then in June we invited them back for a chance to win a prize.

We also ran a plant sale where families were able to buy window sill house plants and fruit and vegetable plants.

We'd love to hear what you thought. Should we make it an annual thing?
