

# West Hampstead International Evening

on **Tuesday 24<sup>th</sup> May 2022 5.30pm – 7pm**

After 2 years of no *International Evening*, we are very excited to announce that this year **it's back!**

International Evening, which was originally planned for Wednesday 4<sup>th</sup> May, will now be held on  
**Tuesday 24<sup>th</sup> May 2022 5.30pm – 7pm.**

Our original date was very close to EID and we have taken the decision to move dates so we can welcome as many members of our wonderful community as possible.

The theme this year is '**West Hampstead Come Together**'

This is a wonderful opportunity to celebrate the diverse range of cultures within our school. During the evening, we hope to showcase a wide variety of original and exciting performances that reflect the backgrounds of our families.

Children have been selected to perform a wide range of **traditional acts** on the evening. The children have been working hard on their performances and it promises to be a very special evening.

### **To make the evening a success we need your support.**

We would like as many families as possible to bring a dish of food, so that we can taste flavours from all over the world.

To attend International Evening, you will need to either bring a dish, which caters for at least a small family or pay £5 per family to attend on the evening.

The more food we have, the bigger and better the event is.

We hope as many of you are able to help us as possible to really make **International Evening** a huge success.

We are really looking forward to seeing you all again!

West Hampstead

**Healthy School**
