

W.H.P.S. Curriculum 2022-23

Spring 1: Where the Wild Things Are!

Aspiration

Responsibility

Resilience

Consideration

Community

Nursery

Spring 2: Food, Glorious Food!

Our topic themes are carefully selected to expose all children to a wide range of ideas, language, learning opportunities and experiences. This enables them to make connections in their learning as well as providing a springboard to ignite their imagination, curiosity and creativity.

Every unique child will access these learning opportunities at their own level and make progress from their own starting points. Key thinking and learning skills linking to the prime areas of learning are developed through all topics.

Entry Point	Explore and Experience	Exit Point
Settling back after the holidays, resuming routines. Children reintroducing themselves to the group	Exploring our feelings	Looking at how we have grown
